

Safety

everyone has the right to be safe

*physical safety

- free from abuse, physical bullying and being hurt
- saying *No* to violence
- working in a calm, orderly and harmonious classroom
- using tools and objects with care

*emotional wellbeing

- being cared for and nurtured
- feeling secure
- free from teasing and cyberbullying
- the right to speak up and to be heard

*acceptance

- feeling okay to be different
- belonging, feeling connected and being included
- being valued and appreciated
- able to question and stand up for others
