## Policy Review and Approval

Policy Last Reviewed: 27/03/2023

Approved By: Principal

Next Scheduled Review Date: 27/03/2024

This policy will also be updated if significant changes are made to school grounds that require a revision of Coolaroo South Primary School and Kindergarten's yard duty and supervision arrangements.

## **PURPOSE**

---

To ensure school staff understand their supervision and yard duty responsibilities.

## **SCOPE**

---

This policy applies to all teaching and non-teaching staff at Coolaroo South Primary School and Kindergarten, including education support staff, casual relief teachers and visiting teachers.

# POLICY

---

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

## **BEFORE AND AFTER SCHOOL**

Coolaroo South Primary School and Kindergarten's grounds are supervised by school staff from 8:45am until 3:30pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through a notification on XUNO and regular reminders in our newsletter that they should not allow their children to attend Coolaroo South Primary School and Kindergarten outside of these hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### YARD DUTY

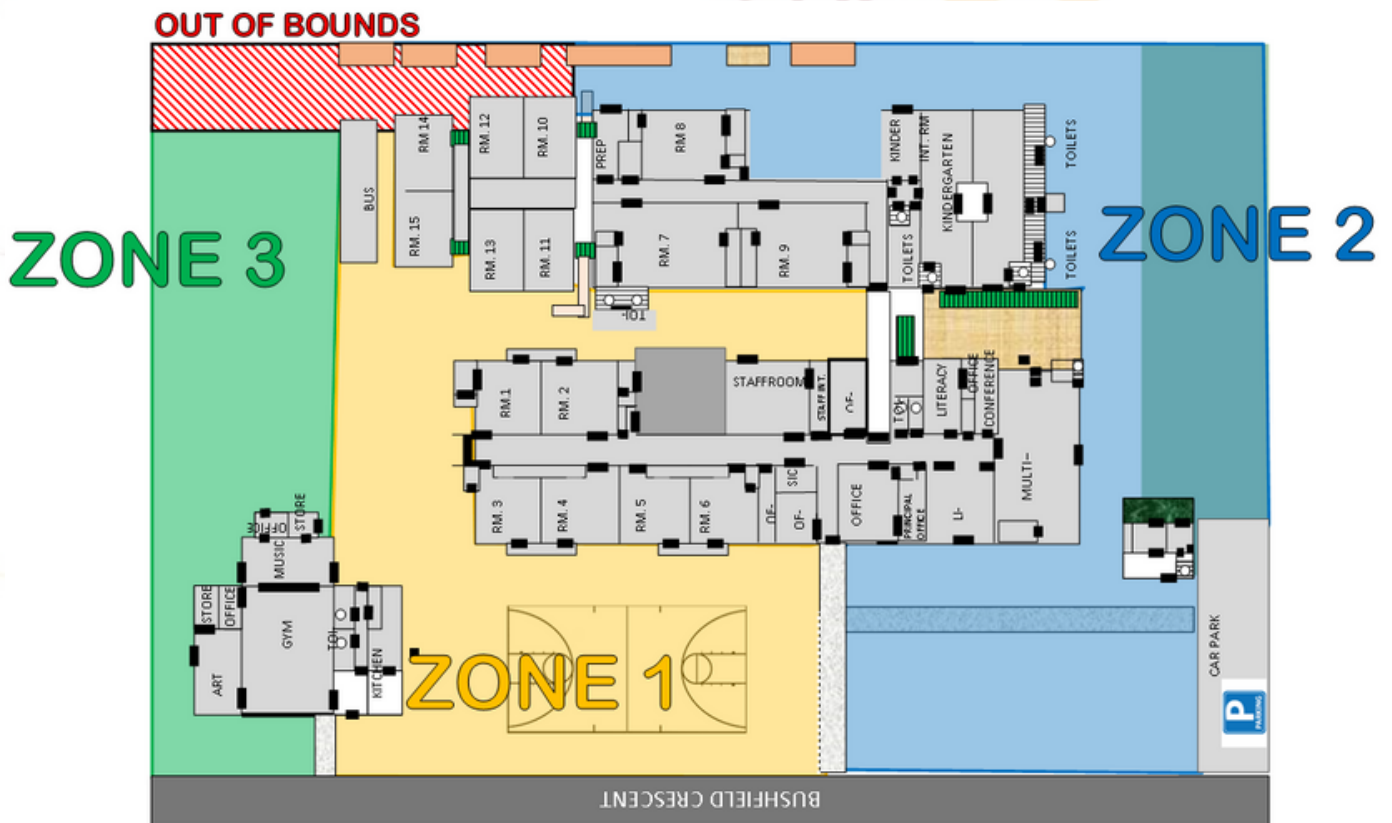

All staff at Coolaroo South Primary School and Kindergarten are expected to assist with yard duty supervision and will be included in the weekly yard duty roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Coolaroo South Primary School and Kindergarten, school staff will be designated a specific yard duty area to supervise.

### YARD DUTY ZONES

The designated yard duty areas for our school as at Term 1, 2023 are:

ZONE	AREA
ZONE 1	Front grass, Year 3-4 playground, silver toilets.
ZONE 2	Year 1/2 playground, track TigerTurf, HUB, skip bin area, kinder toilets.
ZONE 3	Soccer oval.

## **YARD DUTY EQUIPMENT**

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in each classroom, with spares available in the staffroom.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staffroom.
- Be familiar with any student health and safety information stored (information relating to student health and safety such as students with severe medical conditions, frequent absconders, parents who pose a serious risk to safety)

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

## **YARD DUTY RESPONSIBILITIES**

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement and Wellbeing policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on XUNO or eduSAFE as required.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### **CLASSROOM**

The classroom teacher is responsible for the supervision of all students in their care during class.

If a student is asked to leave the classroom, they are to be sent to their 'buddy' classroom as explained in the **Student Wellbeing and Engagement Policy**.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Assistant Principal for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

### **SCHOOL ACTIVITIES, CAMPS AND EXCURSIONS**

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.

### **DIGITAL DEVICES AND VIRTUAL CLASSROOM**

Coolaroo South Primary School and Kindergarten follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Coolaroo South Primary School and Kindergarten will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the library.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored daily.
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our **Student Wellbeing and Engagement Policy** and our **Child Safety Responding and Reporting Policy and Procedures** for further information.

### **STUDENTS REQUIRING ADDITIONAL SUPERVISION SUPPORT**

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

### **SUPERVISION OF STUDENT IN EMERGENCY OPERATING ENVIRONMENTS**

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

### **OTHER AREAS REQUIRING SUPERVISION**

Students must be supervised by a teacher at all times when in the library and when moving between their classroom and a specialist space.

Students requiring the bathroom during class time are to be sent in pairs or with an accompanying Education Support staff member.
